

## Packaging Options

### How would you like them packaged?

Ascending or Descending?  
Standard or Reverse?

It is an important question.

Please review the diagrams on your right and pick the numbering sequence that meets your needs. By writing the Packaging Option Number on your purchase order, you can be assured that your checks will be packaged as requested.

Should you happen to forget to add the Packaging Option Number on your purchase order, we will package your order in our 'Standard Ascending' Sequence. Packaging Option #1.

Please Contact Customer Service if you have any questions.
